I am not sure what a "caravan" is but how does that effect the Note?

Hi Gail:

Thought you might be interested to know (if you don't already) that the
"cheapest house in Studio City) - not Colfax Meadows but all of Studio
City, is \$800,000 and it's a "FIXER IN NEED OF SOME TLC"

That was on Google News today. Which tells me that these prices are only
going to continue tor a while - - I am excited to hear what the house next
door to me sells for? They cancelled the Open House today - there was a
sign on the front door.

That also tells me there is no place to go if you do sell - - - except maybe
Las Vegas or Palm Springs? Possible up North to Oxnard shores area?
